

JACQUEZ MONROE

Orlando, FL 34787 | (407) 342 1141 | monroe.juwan@outlook.com

EDUCATION

VALENCIA COLLEGE

Associate in Arts

Orlando, FL

2022 – 2024

EXPERIENCE

CHICK-FIL-A

Team Member

Winter Garden, FL

2024 – Present

- Delivered fast, friendly customer service in a high-volume fast-casual restaurant, taking orders and processing payments accurately
- Maintained food safety and cleanliness standards across the dining room, kitchen, and prep stations
- Worked closely with teammates to keep wait times low during peak rush periods

AMAZON FULFILLMENT CENTER

Tier One Associate

Orlando, FL

2022 – 2023

- Picked, packed, and processed customer orders accurately to meet productivity and quality targets
- Operated warehouse scanning and inventory-tracking systems in a fast-paced fulfillment environment
- Followed safety protocols and coordinated with team members across shifts to meet daily shipping deadlines

NATE'Z CATERING COMPANY

Customer Service Specialist

Orlando, FL

2015 – Present

- Coordinated with clients on event details, including menu selection, timing, and setup requirements
- Provided on-site customer service during catered events to ensure guest satisfaction
- Assisted with food setup, service, and breakdown, communicating with kitchen staff to ensure timely delivery

PROJECTS

TIC-TAC-TOE (REACT)

- React + Vite
- Rebuilt the classic game with 2-player and unbeatable AI modes, selectable difficulty, move history, keyboard controls, and dark mode
- Live: tic-tac-toe-react-sand-ten.vercel.app | GitHub: github.com/8fn4wf8phr-ops/tic-tac-toe-react

CALCULATOR

- JavaScript, PWA
- Built a calculator with a scientific mode, unit converter, and searchable calculation history with CSV export; installable as an offline-capable app
- Live: calculator-app-three-sand.vercel.app | GitHub: github.com/8fn4wf8phr-ops/calculator-app

PORTFOLIO WEBSITE

- HTML, CSS, JavaScript
- Designed and built this personal portfolio site from scratch, with a responsive layout, scroll animations, and social preview metadata
- Live: my-website-murex-six-54.vercel.app | GitHub: github.com/8fn4wf8phr-ops/my-website
